

Dear Advanced Flooring Design -

Thanks so much for  
saving our floors! Your company  
was the right place to turn when  
we had no idea how to repair  
the damage done by another flooring  
company. Everyone was so helpful,  
patient and informative. Our floors  
look great and they are no longer  
splintering and breaking!!  
So very much!

Thank you  
Dajim's Jan

P.S. - Mike and his  
team were wonderful!!!  
We really appreciated  
their professional  
demeanor and  
kindness.
