RE. Adrian & Shawn.

Dear "Boss":

This is a short note to compliment both Adrian & Shawn for their work at my home these past 10 days. Both are very polite and work hard. Both are sensitive to the owners needs/requests and both do a very good job in representing your Company. I would say Adrian, especially, is a good ambassador for Advanced floor design Inc.

We are pleased with the result and our Contractor ([REDACTED]) will see the floors when Ann and (I'm sure) will be as pleased.

Thankyou for sending such proficient workers - !!

Sincerely

James Stewart
