Dear Steve:

I wanted to thank you and your crew for the work you've done for us over the years. We've asked you to meet some demanding schedules on some of the most expensive homes in the Northwest and you've always come through with good humor, excellent work, and fair prices. If any potential customer would like more information, please have them call me at [REDACTED]

I'm looking forward to working with you in the future.

Sincerely,

KrekowJenningsInc
